

Shopping Extravaganza

Hello Parents!

Chinn Elementary is getting ready for our 14th annual "Shopping Extravaganza". We will also be doing many other activities including a book fair, a silent auction, a pancake breakfast, a Santa Shop for students to buy gifts for their parents, as well as pictures with Santa Claus. This will all take place on Saturday, November 18th from 9 a.m.-12 a.m. The Shopping Extravaganza includes many booths to be placed throughout the gymnasium and hallways. Keep in mind that the event is several weeks earlier than last year, right in the middle of prime holiday shopping season! The charge will be \$20 per booth. In order to maximize your sales, we will do our best to not have duplicated booths (such as 2 Mary Kay Vendors). This is a first come first serve procedure, so sign up now! The money will be used for Chinn Care Team. This benefits our students. Call Amy Rogers-Johnson at 359-5920 if you would like to check on availability in advance. This is a great way to get people involved in our school. Please fill out the form below if you are interested in having a booth and return it to the Jennifer Perry in the office.

Thank You,
Kerry Moon
